

My Dear Friends,

As you know the Prime Minister announced last night further restrictions upon how we are to go about our daily business. This includes the closure of all Churches. This is a very painful and difficult situation to accept and I know that you all share with me that the closure of our Church is unique in history. We are indeed living in difficult times.

Our homes will become places of prayer where we will ask that the mercy of God will renew us. An opportunity also to appreciate each other better by keeping in touch with those who are our family members and friends. And not forgetting to get in touch with the sick and those who live alone by telephone or email.

I will do all I can to support and help you. However, I to, have to obey the current restrictions. This is very hard for any Priest who always wishes to be close to his people. You can message me through the Parish website email address or phone the Presbytery. Landline number 0121 505 7927.

I will continue to offer Mass each day for you all.

May the Lord bless you and keep you safe.

Fr Paul.
