This will ease the pressure of numbers for Sunday celebrations and allow a gradual return to the Eucharist for more people.

Moving forward, there will still be many people who cannot attend Mass in person. We therefore ask parishes, wherever possible, to continue live-streaming Sunday Mass, both for those who remain shielding and vulnerable, and also for those unable to leave home because of advanced age or illness.

When we return to Mass there will be some differences in how the celebration takes place. For the time being, there will be no congregational singing and Mass will be shorter than usual. None of this detracts from the centrality of our encounter with the Risen Christ in the Eucharist. We ask everyone to respect and follow the guidance that will be issued and the instructions in each church. "As I have loved you," said the Lord Jesus, "so you must love each other." (Jn 13:34) The lockdown has brought forth remarkable acts of charity, of loving kindness, from Catholics across our communities as they have cared for the needy and vulnerable.

We have seen love in action through charitable works, and through the service of many front-line keyworkers who are members of our Church. Now we can begin to return to the source of that charity, Christ himself, present for us sacramentally, body, blood, soul and divinity, in Holy Communion. As we prepare to gather again to worship, let us, respectful of each other, come together in thanksgiving to God for the immense gift of the Holy Eucharist.

Yours devotedly in Christ

IMPORTANT INFORMATION:

WE HAVE BEEN GIVEN A LIST OF STRICT REGULATIONS BY THE ARCHDIOCESE WHICH WE MUST ADHERE TO IN ORDER TO CELEBRATE MASS:-

You will notice a few changes as to how Mass will be celebrated during this period and I would suggest that you take a little time to read this information and please follow any instructions given by the stewards. We can only open if sufficient stewards and cleaners are available (see Cate Maddox if you are able to help out). The Church will aim to open 15 minutes before Mass starts, but will not open until all checks have been undertaken by the stewards. As there is a published start time of Mass it is important to arrive in good time to allow for the required sanitising prior to entry. Please remain patient if there is a short queue.

All the regulations set out for Private Prayer remain the same, i.e. sanitising at entry and exit, social distancing at all times inside Church and outside, entrance through main door and exit through Sacristy. Votives - only one at a time, light votive and return to pew. Masks/face coverings must be worn (unless under 5s and those with breathing difficulties). Under 16s must be accompanied by an adult. Statues must not be touched. **For your safety the whole Church is sanitised after use. Sorry no toilets are available.** Please avoid touching other pews whilst walking to your seat. There will be a maximum capacity of 50 this cannot be exceeded. **Please note there is NO SUNDAY OBLIGATION so you may like to attend other Masses in the week** (see newsletter for times) **thereby easing the numbers at weekend Masses.**

We will be operating the Archdiocese guidance of 1m+ social distancing, though floor markings remain at 2m as a precaution for queueing but seating is marked at 1m+.

Your own Face mask or face covering must be worn by all attending Mass, (unfortunately we are unable to supply them so should you turn up without one we are sorry but we can't allow you entry. (Those who are shielding or have cold or flu like symptoms should not attend).

Unfortunately, you may not be able to sit in your favourite seat, but a seat directed by the steward please comply with the request. There will be no offertory during Mass, baskets are provided for offertory at both the entrance and exit.

The most noticeable change will be arrangements for **HOLY COMMUNION AND THE DISMISSAL** (Fr Paul will say beforehand to the whole congregation "Behold the Lamb of God.....Lord I am not worthy" he will then hold up the Host and say "The Body of Christ" to which you respond "Amen". Fr Paul will make a gesture of reverence with the Host to the congregation as both a blessing to those that are unable to receive Communion or haven't yet reached an age to receive communion and to mark the dismissal blessing of the end of Mass. You will then be directed by a steward to go forward to the Altar to receive communion (remember to keep your distance!). Please wait until you are called forward by the steward, **only the main aisle** will be used as Fr Paul will be positioned at the front of the sanctuary. **Holy Communion will be given in silence on the hand, when you approach please do so with arms at full stretch to allow a good distance between yourself and Fr. Remain standing to receive Communion.** **Please remember to take your belongings with you as you will leave Church via the Sacristy straight after Communion.** Post Mass conversations should be taken outside at a safe distance.

We will keep these measures under review and would appreciate any feedback you may have.

Confession: The recent relaxation has allowed the hearing of Confession. This is by appointment with Fr Paul, please ring the presbytery.

Welcome back!

Dear Brothers and sisters in Christ, Grace to you and peace from God our Father and the Lord Jesus Christ.

On Tuesday we heard the announcement that, from the 4th July this year, places of worship will be able to reopen for prayer and services. We welcome this news with great joy. Since the lockdown began, members of all faiths have faced restrictions on how they have been able to celebrate important religious festivals. Our own experience of Easter was unlike any other we have known. Now, in our churches, and with our people, we can look forward again to celebrating the central mysteries of our faith in the Holy Eucharist.

The recent reopening of our churches for individual private prayer was an important milestone on our journey towards resuming communal worship. Our churches that have opened have put in place all the measures needed to ensure the risks of virus transmission are minimised. This includes effective hand sanitisation, social distancing, and cleaning. We remain committed to making sure these systems of hygiene and infection control meet Government and public health standards.

We want to thank everyone within the Catholic community for sustaining the life of faith in such creative ways, not least in the family home. We thank our priests for celebrating Mass faithfully for their people, and for the innovative ways in which they have enabled participation through live-streaming and other means. We are grateful for the pastoral care shown by our clergy to those for whom this time of lockdown has been especially difficult, and, in particular, towards those who have been bereaved. We recognise too the chaplaincy services that have played a vital role in supporting those most in need. Gaining from the experience of all that we have been through, and bringing those lessons into the future, we must now look forward.

With the easing of restrictions on worship with congregations, we tread carefully along the path that lies ahead. Our lives have been changed by the experience of the pandemic and it is clear that we cannot simply return to how things were before lockdown. We remain centred on the Lord Jesus and His command at the Last Supper to "do this in memory of me." We must now rebuild what it means to be Eucharistic communities, holding fast to all that we hold dear, while at the same time exploring creative ways to meet changed circumstances.

It is important to reaffirm that, at present, the obligation to attend Sunday Mass remains suspended. A significant number of churches may remain closed as they are unable to meet the requirements for opening for individual prayer. Fulfilling these requirements is a precondition for any church opening after the 4th July for the celebration of Mass with a congregation.

Please be aware that there will be a limit on the number of people who can attend Mass in our churches. This will be determined locally in accordance with social distancing requirements. We therefore need to reflect carefully on how and when we might be able to attend Mass. We cannot return immediately to our customary practices. This next step is not, in any sense, a moment when we are going 'back to normal.'

We ask every Catholic to think carefully about how and when they will return to Mass. Our priests may need to consider whether it is possible to celebrate additional Masses at the weekends. Given there is no Sunday obligation, we ask you to consider the possibility of attending Mass on a weekday. Contd/
